

FRIDAY FLYER

DATE 5th February 2010

I can recognise when a goal has been reached

Dear Parents,

Another good week in school and a lot is happening. Firstly the advert for the new head teacher has been published nationally this week. I'm hoping there will be a big response so that your governors will have plenty of good candidates to choose from. I'm looking forward to showing people round, there's a lot to show off.

Unfortunately our Year 3 teacher Miss Hammett continues to be ill and will not be back at work next week. Miss Boswell who has been teaching the class for the last four days of this week is able to continue throughout next week giving the class some security. We are hoping that Miss Hammett will be fully recovered and able to return to work after the half term break.

I managed to get out of the office after school this week and saw our netball players in action. Great effort and good team work, shame we lost this time but every new game is a new change to win. Well done. A football match is the next target for me.

Don't forget our ICT safety evening next Tuesday. Children will be able to show off their skills.

And finally..... Uniform. The children at Sacred Heart look really well turned out and I'm really proud to show them off, but there are a few 'unofficial' bits of uniform appearing, trainers for example. Please make every effort to send your children to school in full uniform after the half term. It is part of their pride in their school. The uniform list is appended to this week's Friday Flyer.

ICT @ Sacred Heart

This is a note to parents to remind you that we are holding our ICT @ Sacred Heart on Tuesday 9th February at 3.15pm. It will be a chance for you to see what fun your child is having with ICT at school. You will have a chance to play with the Beebots and Roamers and also to be part of an animation, as well as a lot more!

Can you please ensure that you return a reply slip by Monday, if you wish to attend the Safe on the Internet talk being given by John Pering (Torbay ICT Advisor).

Geography Week

Over the past half term each class in the school has had a geography focused theme. Next week they will showcase their work after school. It would be great if you could come and see your child's work on:

Wednesday 10th February 3.30 – 4.00pm;

|----------|--|
| Year 1 | Winter Wonderland artwork and Spanish postcards |
| Year 2/3 | Japanese information books, crafts and volcanoes |
