Choir

A really big thank you to all of the children from the choir that took part in the Torbay Festival of Performing Arts. The children sang Prayer in the style of Hayley Westenra and a gentle calypso called Janie Mama. We had a fantastic evening and enjoyed watching the other performances from the balcony in the second half. We would also like to say a huge thank you to everyone that came along to watch us despite the awful weather. Sacred Heart were well represented in the audience. Thank you for your support. Mrs Cully.

Mobile Phones

Whilst we understand that some children may need to bring a mobile phone to school for their own safety, we also need to make clear the following arrangements for mobile phones while on the school premises.

- All phones to be taken to the school office on arrival at school
- All phones to be collected from the school office at the end of the day
Please be patient and wait quietly. The office staff are very busy at this time of the day
- Mobile phones are not to be used in the play ground or on the school premises
- If a child is seen with a phone, it will be confiscated until the end of the day

We must make it clear that any valuables brought into school are the responsibility of the child and the school cannot be held accountable. Thank you for supporting us with this.
