Other possible changes to admission arrangements for 2013-2014 include the ability to prioritise those who have a sibling who was formerly at the school, or at the school at the time of the current application; also priority may be given to the children of staff where the member of staff has been employed at the school for two or more years when the application is made and/or the staff member is recruited to fill a vacant post for which there is a demonstrable skills shortage.
