Spr 2

Welcome back

We would like to welcome back all children and families back to Sacred Heart after our half term break. We hope that you have had an enjoyable holiday. This half term begins on Monday 19th February and ends on Thursday 29th March.

Staffing

The staffing in Reception class consists of 4 adults. Miss While the class teacher, Miss Winfield and Miss English, the classroom teaching assistants and Mrs Burt who teaches in Reception class on a Thursday afternoon.

Our plans for the half term

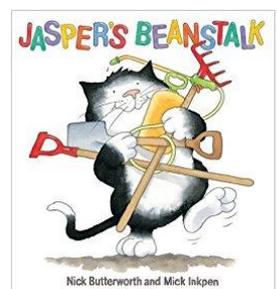

At Sacred Heart RC Nursery and Primary School we have a whole school learning approach based upon story telling. Every half term we have a focused story which we use to develop children's learning and progression through the 7 areas of learning in the Early Years Foundation Stage Curriculum. This story is often referred to as our Talk for Writing story. Our Talk for Writing story for this half term is 'Jasper's Beanstalk.'

This is a story about cat called Jasper who learns that it can take a while from something to grow!

We chose this story as this half term we will be focusing on growth. This half term we plan to explore different things that grow and change, including ourselves. As part of our topic we will be focusing on being healthy and making healthy choices. We plan to have a focus week where we specifically learn about our own health and well being.

Curriculum Coverage

There are 7 areas of learning in the Early Years Foundation Stage Curriculum. Below outlines what curriculum coverage we will be doing in this half term using My Granny Went to Market as our learning focus.

Personal, Social and Emotional Development

- Challenging ourselves to beat our individual targets
- Developing resilience to work together
- Securing good working relationships with one another
- Recognising how we learn (Characteristics of Effective Learning)
- Developing their independence through play choices, self resourcing and managing their own behaviour and problem solving with others.

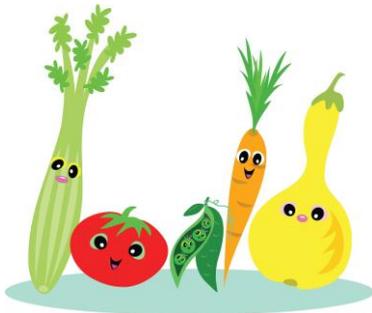

Communication and Language

- Continuation of co-operative learning tasks
- Continuation of talk partner activities (detailed discussions)
- Weekly circle time sessions that encourages all children's participation
- Opportunities for speaking and listening in small and large groups
- Using enriched language to describe
- Regular carpet time listening activities
- Sharing healthy living ideas and experiences
- Story retelling using story maps and TfW actions.
- Daily RIC picture activities to develop children's comprehension skills
- What would be up your beanstalk? How would you feel there?

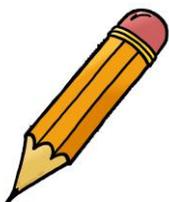

Physical Development

- Opportunities to practice and develop basic movements and competitive games
- Continual encouragement of children's independence in self care, selecting and choosing resources independently, dressing and undressing and with self hygiene
- Developing children's physical fine motor skills through a variety of activities that encourages children to use one handed tools.
- Daily finger gym activities
- Supporting children in holding their writing tools using the correct grip and pressure
- Developing letter formation through phonics/ handwriting sessions
- Fine Motor skills activities to strengthen pencil grip and use of one handed tools
- Healthy living and wellbeing focus week
- Safety of using the hall, correct procedures.

Literacy

- Daily phonics sessions, children now split into 3 groups (RML programme)
- Learning red words and set 2 RML sounds
- Retelling stories through actions, role play, story maps, focused group work and visual resources
- Supporting children in developing letter formation through phonics and handwriting sessions
- Daily guided reading sessions to support us with our phonics and early reading skills
- Letter formation, writing simple captions and sentences
- Guided reading twice weekly
- Instructional writing - growing a bean

- Writing about an imaginary world (What's up your beanstalk)
- Writing short stories (For some children)
- Making healthy living posters

Mathematics

- Continuation of children's individual number targets
- Ordering by length
- Exploring time words and using time words accurately in conversations with others
- Estimation of amount
- Introducing money (initially pennies moving on to 2p/ 5p if children are ready)

Understanding the World

- Exploring parts of a flower
- What do flowers need to grow?
- Animal lifecycles
- Bean experiment (variables)
- Own growth and change/ healthy living and mindset week

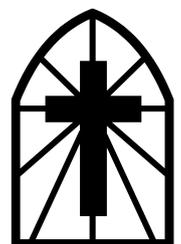

Expressive Arts and Design

- Observational drawings of flowers
- Making musical instruments/ Rain makers
- Mini beast hunt/ mini beast clay models

Religious Education

We learn about different religions and cultures at Sacred Heart celebrating different countries and traditions. We teach the children to be sensitive to the traditions of all religions and understand that we may not celebrate the same things. As part of our Catholic ethos we have a structured outline of Catholic faith that we teach. This half term we will learning about Lent and Holy Week.

We participate in daily prayers and gather on a Monday for our whole school liturgy. On a Wednesday morning we gather with KS1 in a short assembly and on Thursday we gather to watch 'Open the Book', a theatrical group who tell us stories from the Bible.

Lunch Times

You can now order your children's school lunches from home. Please speak to the office if you would like to do this. You can order up to 5 weeks worth of school meals at a time. We ask that children are encouraged to use knives and forks at home to support the children to independently feed themselves in the hall. We are including activities to develop children's fine motor skills with activities in the classroom also to support the children.

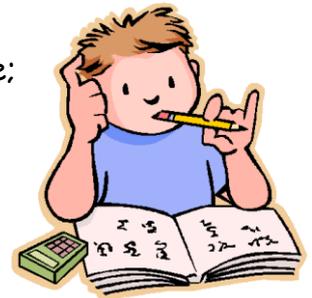

PE Kits and school uniform

Can you please make sure that your child's PE kit is in school at all times. We have a designated PE slot in the hall however we will at times have impromptu PE sessions outdoors and the children will need suitable clothing for this. We also encourage the children to have their name in all of their school clothing so that missing clothes can be easily identified.

Home Learning

Home learning will be sent home every Friday. The home learning will usually consist of sounds to practice or red words (these are words that cannot be sounded out and children need to learn to read and write on sight)

It will also consist of another learning task for your child to complete; this will depend on the learning carried out throughout the week and their individual learning targets. The home learning that is sent home will be tailored for your individual child's need.

Reading Books

As the children are becoming more confident in reading we will be sending home books with words that they are able to read by breaking down the sounds that they see and blending them together. We are encouraging children to become fluent readers and although we use phonics to help children decode words to read it is important that they begin to read familiar words on sight as they become more confident with reading.

Open door policy

At Sacred Heart we have an open door policy and encourage parents to talk to the staff daily about any concerns, suggestions or achievements that you wish to share. A member of staff will always be available to talk at the beginning of the session and I am available to talk too personally at the end of the day or by booking an appointment.

We strongly encourage parents to communicate with the Reception staff so we can work collaboratively to meet the best needs of your children.

We are always here to support yourself and your children on this exciting journey as they continue their full time education

Reminders:

Your child's interactive learning diary is now constantly viewable online. To see what your child has been learning about in Reception class please visit

<https://portal.interactivelearningdiary.co.uk/>

Enter your username and password and you will be able to view your child's progress. If you have forgotten or need a new password please speak to myself and I can arrange a new one for you.

As a whole school we support the local charity Rowcroft Hospice. Throughout the year Reception class will be responsible for raising funds for this worthwhile charity. The children throughout this fund raising will learn how to become young business entrepreneurs and understand the reasoning behind why we fund raise. If you

would like to find out more about Rowcroft Hospice please visit their website

<http://www.rowcrofthospice.org.uk/>

Thank you to you all for purchasing Nativity pictures of your children. All profits raised are being sent to Rowcroft Hospice

Important Dates for your diaries!

Tuesday/Wednesday 27/28th February - Parent/ Teacher consultation meetings

Wednesday 28th March- Look at us growing/ Easter open afternoon 2.30-3.15pm (entry via nursery gate)

Thank you

Miss While

Reception Class Teacher/ Early Years Coordinator
